

Use of chainsaw from a Mobile Elevated Work Platform – City & Guilds Level 3

Overview

This course aims to allow current chainsaw operators to gain the industry-wide and accepted NPTC accreditation with an independent assessment to confirm safety and competence in the use of chainsaw from a Mobile Elevated Work Platform – MEWP.

This qualification covers the ability to work safely, use a powered pole pruner, relevant health & safety legislation and industry good practice.

Course Content

- Relevant Health & Safety and industry good practice
- Set up and operate a MEWP
- Deal with emergency situations affecting operators working from a MEWP
- Understand how to operate a chainsaw from a MEWP
- Prepare a MEWP for transport

Course Requirements

- Delegates must have a City & Guilds NPTC L2 Safe Use and Operation of Mobile Elevated Work Platforms or equivalent.
- Award in Chainsaw Maintenance
- Award in Cross-cutting
- Award in Felling and Processing trees up to 380mm

You are required to provide your own Tools & Personal Protective Equipment (PPE) for this training course.

Personal Protective Equipment (PPE):
